hello@simplycertification.co.uk

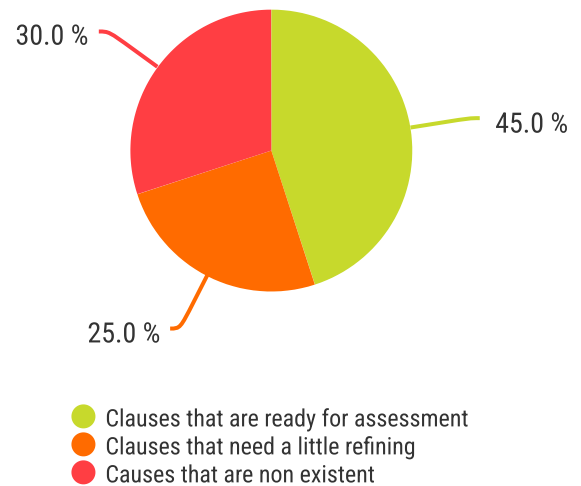

## WHAT IS A GAP ANALYSIS?

A Gap Analysis will provide you with clear direction on what you need to work on to get your organisation assessment ready for certification.

The output is an easy to understand traffic light style report defining the areas against the clauses of the standard which need to be addressed.

A straightforward and remote assessment is carried out by one of our friendly experts.

The assessment lasts around one day with a finalized report issued within three working days.

## THE BENEFITS OF A GAP ANALYSIS

- Saves so much time, resource and cost in trying to understand where to start on your organization's journey to meet the standard.
- Provides a quick and clear overview to present to management and other stakeholders within your organization on what is required to get closer to getting ready for certification.
- Provides a starting point to help with planning around implementation of ISO 19650

## DELIVERED REMOTELY

All of our ISO 19650 assessments are delivered remotely.

This allows flexibility for assessor allocation, reduced costs in terms of travel.

## WORLD WIDE ASSESSORS

Our Simply Certification team are across the globe, meaning we will attempt to assign you with an assessor who will speak your language and understand factors that are local to you.

# 3 STEPS TO AN ISO 19650 GAP ANALYSIS

Our process for a Gap Analysis is straightforward resulting in an easy to understand report.

ISO 19650  
certification

BIM

## 1. APPLY

Complete our [online form](#) providing your contact details and information about your organisation.

You will be issued a quotation for you to review within 48 hours. If you want to progress, simply accept the quotation and an invoice will be issued.

Once payment is made you will be assigned one of our world wide assessors.

## 2. ASSESSMENT

Your assessor will be in touch direct to arrange a mutually convenient time to conduct the Gap Analysis.

You will receive a Microsoft Teams invite so that you can save the date in your calendar and access a link to join on the day of the Gap Analysis. This will allow you to share your screen and any documents on the day of the Gap Analysis.

The session will start around 9.30am. Your assessor will run through a series of questions with you to identify what is currently in place. The session will last between 3-6 hours.

## 3. REPORT

Once the session is complete, your assessor will run through the gaps that they have found and present the overall outcome of the session.

Within 3 working days, the finalised report will be issued to you by email, so that you can read the detail of each of the findings.

Once you have addressed the gaps, you are then assessment ready and can move onto the certification process!
